SPECIALISTS IN
ARCHITECTURAL
ALUMINIUM SYSTEMS

At Comar we take pride in the fact that our customers can rely on our short delivery time of just 5 working days for over 700 sections of our integrated aluminium facades, which are always kept in stock.

In addition, we provide them with a superior level of technical support, design, calculations and NBS specifications, as well as details of our approved installers to ensure that the job always gets done on budget and on time.
