

Technical Datasheet

NEW PROFILE CS627 – CLIP-ON COVER DRIP

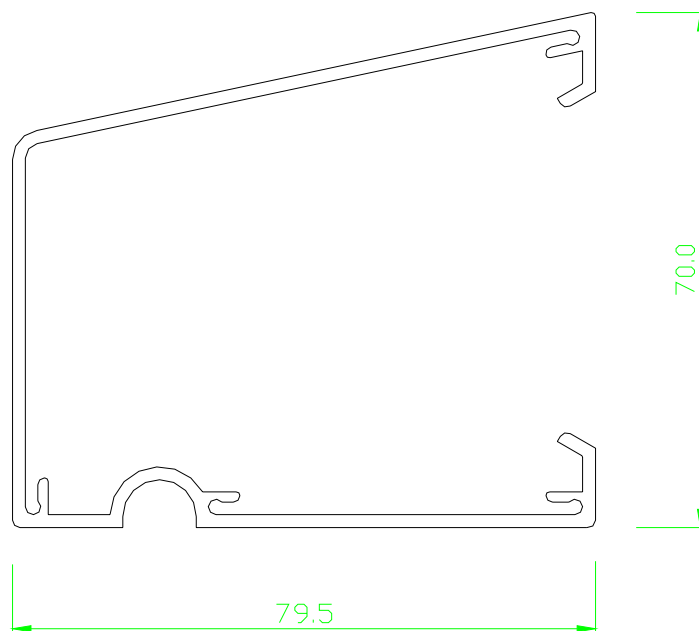

This profile is designed to mimic the timber eye level cill of the Scola system used on the schools. It works with the Comar 2 thermally broken framework system. It can be fitted once all other works are complete.

For information on fabrication and profile limitations please contact the Comar Technical Department by e-mail at Technical@parksidegrp.co.uk or telephone 020 8685 9685
