

LEGACY
FROM COMAR

Slimline Screen

The Legacy Slimline screen brings a new dimension to any interior space. A focal point in itself, this art deco inspired, fixed screen comes in a range of colours and design options, and is ideal for partitioning spaces without compromising on light and space.

Ultra slimline frames and a range of glazing options mean the Slimline Screen can easily compliment any interior design scheme.

All screens are also available with a choice of lock and optional door closer.
