

## Responsible Sourcing Policy

Bailey CW Ltd recognise the importance of our Purchasing decisions and the impact these may have on our environment and society. We encourage our Supply Chain to implement or work towards a certified Quality, Environmental and Health and Safety Management System.

Bailey CW Ltd recognises the importance of Environmental protection and is committed to operating its business in compliance with all Environmental regulations and legislation relating to the building industry.

It is the belief of Bailey CW Ltd that people are our most valuable asset, and our organisation is totally committed to a policy that fulfils our moral and legal obligation to safeguard, so far as reasonably practicable, the health, safety and welfare of our employee and anyone that may be affected by the actions of the Company, its employees, or as a result of Bailey CW Ltd activities.

Our environmental policy states our commitment to carry out all measures reasonably practicable to meet, exceed or develop all necessary or desirable requirements and to continually improve environmental performance and the prevention of pollution.

Our Health and Safety policy states our commitment to ensuring the health, safety and welfare of our employees. We also recognize our duty to co-operate and work with other employers when their staff visit our premises, and to ensure the health, safety, and welfare of everyone at our place of work

We ensure that all our employees receive support, training and development opportunities in order that they can accomplish a sustainable contribution to the organisation.

Bailey CW Ltd have a robust integrated Management System which allows us to review not only our own performance but that of our suppliers. All our processes and practices are fully aligned with the principles of ISO 9001:2015, ISO 14001:2015, ISO 45001:2018, and BES 6001.
